Conducting an educational tour entitled "Following the footsteps of the Ionian Islands' writers" in Corfu, with a group of pupils and students of secondary education.

Short presentation

Ionian Islands Writers & Poets

Dionysios Solomos, Andreas Kalvos, Stefanos-Konstantinos Theotokis, Iakovos Polylas.

Educational Tours on the Ionian Islands are part of the **POLYSEMI** program and designed to effectively connect visitors to the Ionian Islands' rich and varied spiritual and cultural heritage.

The particular Educational Tour concerns important writers, who were either born, lived, or thrived literally on the island of Corfu, leaving a valuable contribution to subsequent remarkable literary work.

In the following we provide the **programme** and suggested **educational activities** of the Educational Tour "Following the footsteps of the Ionian Islands' writers" in Corfu.
